(Lines are open 8am to 8pm Monday to Friday, 8am to 4pm Saturday, and 10am to 4pm Sunday.)

Where two vehicle registration numbers have been added to one Residents' Permit, it is the resident's responsibility to nominate the active vehicle, as described in paragraph 5.6.

5.9 The Council reserves the right to issue a paper permit in exceptional circumstances, and if you are issued with a paper permit it must be displayed in the vehicle.

5.10 Permits will be approved for 12 months from the date of issue. The appropriate fee (as shown in the table in paragraph 4.2) must be paid before a permit will be issued. - 5.13 You will be contacted, using the email address associated with your MiPermit account, to remind you when your Residents' Permit is due for renewal; however it is your responsibility to renew your permit. If you do not renew your Residents' Permit before its expiry date, it will no longer be valid and you will be at risk of receiving a Penalty Charge Notice (PCN) if you continue to park in restricted areas. If a permit is not renewed before its expiry date other eligible residents living in the property may take the property's permit allocation, which could mean you will be unable to purchase another permit.
